### Nash Equilibrium Intro

Game Theory Course:  
Jackson, Leyton-Brown & Shoham

### Keynes' Beauty Contest Game

### Keynes' Beauty Contest Game

- You hold a stock and the price is rising...

### Keynes' Beauty Contest Game

- You hold a stock and the price is rising...
- You believe that the price is too high to be justified by the value of the company.

### Keynes' Beauty Contest Game

- You hold a stock and the price is rising...
- You believe that the price is too high to be justified by the value of the company.
- You would like to sell it, but would like to wait until the price is almost at its peak.

### Keynes' Beauty Contest Game

- You hold a stock and the price is rising...
- You believe that the price is too high to be justified by the value of the company.
- You would like to sell it, but would like to wait until the price is almost at its peak.
- You would like to get out of the market *just before other investors do*.

### Keynes' Beauty Contest Game

- You hold a stock and the price is rising...
- You believe that the price is too high to be justified by the value of the company.
- You would like to sell it, but would like to wait until the price is almost at its peak.
- You would like to get out of the market *just before other investors do*.
- How will they act? What should you do in response?

### Keynes Beauty Contest Game: The Stylized Version

X what you think.  
✓ what other people think
